Uh, idiot?  
>Ash:Too bad. <br>Ash steps on the tile.  
>They teleport and they see a sign:Welcome to Birmingham.  
<br>Misty:YOU MEAN WE'RE IN ALABAMA!  
>Misty gets an urge to devastate Ash. No supwise(Its my accent).  
<br>Ash reads below.  
>It reads: <br>1962 Birmingham. Birmingham welcomes all people except  
for colored Negroes and civil right marchers.  
>Tracey rolls his eyes. <br>Tracey:Okaaaayâ€¦|  
>Ash:And that meansâ€¦|? <br>Tracey:It means these peopaw(my accent)

excu-uu-use me!  
>A girl in a miniskirt walks by. <br>Girl:Hi, and my name is Marion!  
  
>The girl notices Misty's shorts. <br>Marion:Like, why aren't you  
wearing a miniskirt?!  
>Misty:Is there a problem with not wearing them? <br>Marion:I am  
like, so sorry, but all my friends wear them and stuff, so, it's  
like, a fad. I didn't mean to insult you! Anyway, like, welcome to  
Birmingham.  
>Misty:Is this truly 1962? <br>Marion:Well, yes, andâ€¦"

>Misty:It's supposed to be 2000! <br>Marion:Like, what the heck are  
you talking about?

>Misty:I suppose you could say I come from the future. My name is  
Misty, that's Ash, and that's Tracey. <br>Marion:Like, hi!

>Misty:We are pokemon trainers, but Tracey's a pokemon watcher.

<br>Marion:Like, what's pokemon?

>Misty:Come and see. <br>They all step on a tile that transports them  
back to 2000, where pokemon exists.

## 2. Default Chapter Title

> <meta name="Author"> waya2 Last time our heroes met Marion(and it  
shouldn't be hard to see she's a valley girl) from the 60's and went  
back to 2000 to show Marion pokemon. You never know if Marion might  
be a trainer herself!

> <br>

Marion:This doesn't look to different...but what's that?

>They saw a man listening to music on a sony walkman and a black and  
white playing together. <br>Marion:I guess civil rights came. But  
what's a sony walkman?

>Ash:It's the coolest thing that lets you listen to CDs.

<br>Marion:Oh. So where's pokemon?

>Ash:You'll see. Pidgeot, go! And fly us to pallet! <br>Pidgeot did  
just that.

>Our heroes entered Prof. Oak's lab. <br>Ash:Hi Professor, I have a  
friend named Marion who might like to see pokemon. She's from the  
60s.

>Prof Oak:Shes from the 60s, thats a good one, and does she want to  
start a Pokemon journey? <br>Marion:As soon as I find out what  
pokemon is.

>They explain Marion <em>is <em>from the 60's and Prof Oak shows her  
pokemon.

>Prof Oak:Choose from Hanneko, Waninoko, Hinoarashi, Chikorita, or  
Pichu. <br>Ash:Cool, Pikachu's like Pichu's big brother.

>Prof Oak:Oh dear, I remember now, Hanneko Waninoko and those others  
were taken. Only Pichu is left. Here, take this and pokeballs and a  
pokedex. <br>Marion:\_Thanks!\_

>Ash:Do you mind joining us? <br>Marion:Not at all!

Stay tuned for the next one to see how Marion is for a beginner.
